NOMINATION PROCESS

Several updates have been made to the submission process. Please review carefully.

Nominations must be submitted through [an online application process](#). Supporting documentation is required and may be supplied in the body of the form, as a PDF attachment, and/or by linking to relevant material (such as a CV) provided that the source is reputable and up to date.

Candidates may self-nominate or be nominated by a colleague. Please note that **candidates who have been nominated by a colleague are no longer required to complete a separate application.**

Once submitted, nominations remain active for a total of three (3) years. Should a candidate be nominated more than once, each individual nomination will still expire three (3) years after it was first submitted. Note that nominees/applicants are encouraged to submit a new application if they have updated information they would like to share.

Recipients of the ILA William S. Gray Citation of Merit are not eligible for future consideration. Please review the list of [past honorees](#) before submitting a nomination.
