

Transforming Lives Through Literacy

Susan Paasch

Board Member
2017–2020

Susan Paasch has worked in public education for over 30 years. During that time, she served in North Dakota, Alaska, and Minnesota, holding the positions of special education teacher, special education consultant, and administrator.

Susan has taught in self-contained classrooms and resource rooms, provided consultation services to 45 school districts, and most recently served as the principal of an elementary school where she lead a student population of 1,000 and a staff of 150. In her current role, she is working to develop and implement an International Baccalaureate program at Rice Elementary in the Sauk Rapids Public School District. Susan is also an instructor for the Masters and Principal Licensure programs at St. Mary's University of Minnesota.

Susan received her BS in Elementary and Special Education from Minnesota State University and her MEd from St. Mary's University. In addition, she earned Reading Licensure from Bethel University and completed Superintendent and Principal Licensure Program at St. Mary's University.

Susan and her husband have been married for 33 years and reside in Minnesota. They have three amazing children and three even more amazing grandchildren.
