Literacy isn't instinctive, inherited, given, or grown into.

It's taught by educators like you who deserve to be engaged and empowered.

That's where we come in!

For the past 60 years, we've provided teachers and leaders like you with the resources to support and inspire your students and each other. We've replaced reading with literacy in our name, to become the International Literacy Association, because it's our cause, our passion, and our reason for being.

Wherever you're teaching literacy, we'll connect you with

- Resources to further your knowledge and expertise
 - *Literacy Today*: Bimonthly member magazine
 - ILA Bridges: Ready-to-go, standards-based units
 - ILA E-ssentials: Practical, evidence-based teaching tips from top experts in easy-to-download PDFs
 - Discounts on ILA books and conference registration
 - The opportunity to subscribe to *The Reading Teacher*, *Journal of Adolescent & Adult Literacy*, and *Reading Research Quarterly*
- A community of teachers, experts, leaders, and lifelong learners (like you) for networking, inspiration, and guidance
- A cause to root for and champion, and a way to help ILA spread literacy to every corner of the world
